TRAVELING MERCIES FOR ALL THOSE TRAVELING

THE LIGHTHOUSE

**There's a lighthouse on the hillside that overlooks the sea.
 When I'm tossed, it sends out a light, that I might see.
 And the light that shines in darkness now will safely lead us o'er.
 If it wasn't for the Lighthouse, my ship would be no more.
 And I thank God for the Lighthouse! I owe my life to Him.
 For Jesus is the Lighthouse, and from the rocks of sin He has
 shone a light around me, that I could clearly see. If it wasn't for
 the Lighthouse, where would this ship be?
 Everybody that lives about us says: "Tear that Lighthouse down.
 The big ships don't sail this way anymore, there's no use of it
 standing 'round."
 Then my mind goes back to that stormy night when just in time, I
 saw the Light. Yes, the light from that old Lighthouse that stands
 up there on the hill.
 And I thank God for the Lighthouse! I owe my life to Him. For
 Jesus is the Lighthouse, and from the rocks of sin He has shone a
 light around me that I could clearly see.
 If it wasn't for the Lighthouse where would this ship be? If it
 wasn't for the Lighthouse, where would this ship be?**
