LET'S JUST PRAISE THE LORD

**Let's just praise the Lord, praise the Lord!
 Let's just lift our hands toward heaven and praise the Lord.
 Let's just praise the Lord, praise the Lord!
 Let's just lift our hands toward heaven and praise the Lord!
 We thank Him for His kindness. We thank Him for His love.
 We've been in heavenly places, felt blessings from above.
 We've been sharing all the good things the family can afford.
 Let's turn our praise toward heaven and praise the Lord.
 Let's just praise the Lord, praise the Lord!
 Let's just lift our hands toward heaven and praise the Lord.
 Let's just praise the Lord, praise the Lord!
 Let's just lift our hands toward heaven and praise the Lord!
 Just the precious name of Jesus is worthy of our praise. Let us
 bow our knees before Him, our hands to heaven raise.
 When he comes in clouds of glory, with Him we'll ever reign.
 We'll lift our happy voices and praise His dear name.
 Let's just praise the Lord, praise the Lord!
 Let's just lift our hands toward heaven and praise the Lord.
 Let's just praise the Lord, praise the Lord!
 Let's just lift our hands toward heaven and praise the Lord! Let's
 just lift our hands toward heaven and praise the Lord!
 Praise the Lord!**
